1. Sixty-one Pe-2s and four single-engine biplanes were stationed at Strasshof (P 49/S 50) airfield on 20 July 1950. The Pe-2s were parked in three rows of 11 planes and two rows of 12 planes each; four planes were parked individually. There were many take-offs and landings, and, in addition, practice firing at towed air sleeves was observed. The fuel containers at the field were filled from railroad tank cars.
2. Many recruits were seen in Strasshof but only a few were observed at the field itself. Motor vehicles seen at the field were ambulance,
